

STATEMENT OF HEALTH & SAFETY POLICY

It is the intention of GT Coulson Fabrication Ltd (Coulson) to ensure so far as is reasonable practical, the health, safety and welfare of all it's employees, contractors, customers and visitors. This document has been prepared to define the way that this company intends to manage health & safety, and to meet the requirements of the Health & Safety at Work etc Act 1974, the Management of Health & Safety at Work Regulations, the CDM Regulations 2015, and other associated legislation.

So far as reasonable practicable, Coulson will provide:

- Safe premises and work places including access and egress from them.
- Adequate information, instruction, training and supervision to enable the work to be carried out safely.
- Plant and equipment that is safe to use, handle and store; including article and substances.
- Safe systems, working environment and procedures of work.

The company has appointed the Managing Director Mr A Coulson to ensure highest commitment and implementation of company health and safety policy. His duties are set out in the policy document.

The company recognises the important contribution of all it's employees and as such accepts that it is the joint responsibility of management and all it's employees to achieve proper implementation of this policy. Individual duties are therefore set out clearly. The company also confirms that Health & Safety should never be compromised for other objectives.

In acknowledgement of it's responsibilities towards health, safety and welfare, the company has appointed Bestsafe Ltd – Health & Safety Services as its competent safety consultant to advise and assist.

This policy statement of the company will be displayed prominently on all its sites and workplaces, and will be made available (on request) to any employee, its subcontractor, or any other persons in connection with its activities. The policy will be reviewed annually and always updated within two years.
